YMCA NEWS

The YMCAs of Cambridge and Kitchener-Waterloo
have committed to establishing an
ongoing collaboration arrangement.

This collaboration means that more programs and services can be
offered to more people at more locations.

It will help us meet the needs of the rapidly growing population
in the communities we serve.

CEO John Haddock, who has served both YMCAs on an interim
basis over the past year, has been appointed permanent CEO.

Members and program participants won't notice
any changes to programs or services
as a result of the collaboration arrangement.
